

**Lowe's is refusing to drop its contract with Flock, the notorious surveillance company that's been tapped by ICE, used to investigate abortion care, and surveil protesters:**

- Lowe's Flock data was found in Johnson County, TX database— the same jurisdiction that used Flock to investigate an out-of-state abortion
- Lowe's has snubbed the 40+ racial, immigrant, and gender justice groups who've called on them to drop their contract
- Lowe's is one of the biggest commercial customers of Flock
